Dr. John Hoy

Dr. J. John Hoy *is a fourth-generation Seattle native and graduate of the University of Washington and the California College of Podiatric Medicine. He completed hospital-based medical and surgical residency training in San Francisco and San Diego under faculty affiliated with the University of California San Francisco and Stanford University.*

Since acquiring Seattle Foot & Ankle Center on January 1, 2005, Dr. Hoy has provided comprehensive, evidence-based foot and ankle care. He serves as a Teaching Associate with the University of Washington School of Medicine and has helped educate residents in podiatric surgery and family medicine.

Dr. Hoy is board certified by the American Board of Podiatric Medicine and the American Board of Foot and Ankle Surgery. He is a Fellow of the American College of Foot and Ankle Surgeons and the Faculty of Podiatric Medicine of the Royal College of Physicians and Surgeons of Glasgow.

SEATTLE FOOT&ANKLE CENTER

Comprehensive Foot and Ankle Medicine, Rehabilitation and Surgery

J. John Hoy, DPM, FACFAS, FFPM RCPS (Glasg)

Dual Board-Certified Foot & Ankle Physician and Surgeon

Comprehensive Foot & Ankle Care

Thank you for choosing Seattle Foot & Ankle Center for your foot and ankle care. Since 1990, the practice has proudly served patients from the historic Medical Dental Building in downtown Seattle. Dr. J. John Hoy joined the practice in 2004. We provide comprehensive medical, surgical and rehabilitative care for individuals and families throughout the Puget Sound region in a welcoming, patient-centered environment.

As a dual board-certified foot and ankle physician and surgeon, Dr. Hoy combines advanced training with evidence-based treatment to help patients maintain mobility and return to active lives. We accept most major insurance plans and are proud to maintain an A+ rating with the Better Business Bureau.

Our Specialty

Podiatric physicians are doctors specializing in conditions of the foot and ankle. Following four years of podiatric medical school, they complete hospital-based residency training in medicine and surgery before becoming licensed physicians. Many pursue additional board certification demonstrating advanced knowledge and clinical expertise.

Dr. Hoy is dual board-certified in podiatric medicine and foot and ankle surgery.

Our Services

We diagnose, treat, and help prevent foot and ankle conditions for patients of every age—from children to active adults and seniors. Whenever appropriate, we begin with conservative treatment, including rehabilitation, before considering surgery.

Services include:

• Musculoskeletal medicine, injury care and rehabilitation

• Digital X-rays and fracture management

• Shockwave therapy for chronic heel pain and tendon injuries

• Custom orthotics and bracing

• Diabetic foot care and limb preservation

• Office procedures and hospital surgery

• Pediatric foot care

• Reconstructive foot and ankle surgery

We work collaboratively with your primary care physician and other specialists throughout the Seattle area to coordinate your care.

Conditions We Treat

Whether your symptoms are new or longstanding, we're here to help. Common reasons patients visit include:

• Heel pain and plantar fasciitis

• Sports injuries, ankle sprains and tendon problems

• Bunions and hammertoes

• Fractures

• Arthritis

• Tendon injuries

• Ingrown toenails

• Diabetic foot problems

• Wounds that won't heal

• Painful skin and nail conditions

If foot or ankle pain is limiting your ability to walk, work, exercise, or enjoy life, schedule an evaluation to determine the appropriate treatment.

Hospital Affiliations

Dr. Hoy performs surgery and provides inpatient consultation through Swedish Medical Center.
